

## **STYLE.com and Neiman Marcus offer select luxe gifts for the holiday season**

NEW YORK (November 24, 2000) -- This holiday season, visions of sexy Manolo Blahnik rhinestone stilettos and the perfect Marc Jacobs outfit will be dancing in shoppers' heads as they browse through STYLE.com's holiday shop. The store ([www.style.com](http://www.style.com)) offers a carefully selected assortment of gifts for a glamorous and glitzy season.

The holiday shop is the first interpretation of STYLE.com's partnership with Neiman Marcus that was announced this September. The holiday shop provides a taste of what consumers will enjoy early next year when STYLE.com and Neiman Marcus unveil a choice selection of the spring season's most exciting looks in apparel and accessories.

"Items for our holiday shop were carefully selected to showcase the best of what is available this holiday season and gives our customers an idea of the kind experience they should expect when our full store with Neiman Marcus goes live next spring." said Goli Sheikholeslami, Managing Director, STYLE.com.

The must-have, luxe items available at STYLE.com's holiday shop were chosen to create the ideal looks for daytime and evening festivities. The selective assortment of merchandise is from the world's most sought out designers, including Lambertson Truex, Tse Cashmere, and Me + Ro. Two items - a mink and cashmere ascot created by Michael Kors for Pologeorgis and a pink Gabrielle Sanders pashmina pajama set with blanket - are exclusive to STYLE.com.

Other items include delicate 18K gold and ruby hoop earrings; supremely feminine red lingerie; flirty, ruffle skirt; and multi-strand, garnet necklace and bracelet set.
