

SEASONAL STATEMENTS: TOP TEN LOOKS THAT DEFINE THE NEW MOOD FOR SPRING
STYLE.COM, THE ONLINE HOME OF VOGUE AND W MAGAZINES, PREVIEW THE TEN HOTTEST SPRING LOOKS

NEW YORK (January 13 2003) - STYLE.com, the online home of Vogue and W, brings you this season's best finds from the runways of New York, London, Milan and Paris. With feminine shapes, rising hemlines and dazzling colors everywhere, the forecast is for an exuberant spring.

1. Feminine Frocks

Do your part to enhance the environment in a flirty, figure-flattering dress.

2. Miniskirts

Get out your scissors: Hems are headed skyward again.

3. Skinny Pants

Shed that excess fabric with a slim pair of trim trousers.

4. Bathing Suits

From bikinis to tanks, beachwear is more of a fashion statement than ever.

5. Pop Colors

Monochrome, begone: Mood-altering hues are the season's major message.

6. Something Soft

Pretty and romantic, with a nontraditional twist, is the way to go.

7. Asian Accents

Re-orient your wardrobe with a touch of eastern elegance.

8. Statement Bags

Let the world know you've got a lot on your shoulders.

9. A Touch of Satin

Fashion's most regal fabric isn't just for ballskirts anymore.

10. Metallic shoes

Go light on your feet with a chic pair of silvery slippers.
